1. **Photovoltaic Module Quality Assurance in Indonesia Towards 6.5 GW of Renewable Energy in 2025** Yonan Prihhapso, National Standardization Agency of Indonesia

2. **New Electrical Measurement Standards supporting Energy Efficiency** Ilya Budovsky FEAust, Yi Li, Dimitrios Georgakopoulos, Frederick Emms and Wei Yan National Measurement Institute Australia

3. **Calibration on the Efficiency of a High Voltage AC to DC Rectifier System** Wei Zhao, Chuansheng Li, Jiafu Wang, Lixin Wang, Haiming Shao, National Institute of Metrology, China

5. **Development of Hydrogen Field Test Standard for Hydrogen Refueling Stations in Korea** Woong KANG, Korea Research Institute of Standards and Science

6. **Online Calibration for Smart Meters** He Qing, Liang Chengbin, Liu Fangxing, National Institute of Metrology, Beijing, China
